

Doubts

The Idoru

what to choose ? it's the question i can not answer.
i'm always asking this at the crossroads of possibilities.
we need answers, explanations, followed by discussions,
i become sick of the variations.
where to go, where to turn, what to do, to do things right.
should i stay, should i go, where are the rights and wrongs of
life.
by the time i'm able to make the best decision, my mind will ha
ve been killed by doubts.
staying, leaving, loving, hating, giving, getting. which way is
right
some say live your life without wars,
some say fight for your rights at all costs.
everyone needs a path to follow, a direction when we're lost,
but there is no ideal we can always trust!
