

A Woman Who Loves Me

The Impressions

Hmm hmm hmm

Hmm hmm hmm

I'm walkin' on home (hmm hmm hmm)

Doin' a strut (hmm hmm hmm)

Been workin' hard (hmm hmm hmm)

Kinda in a rut (hmm hmm hmm)

Now I ain't got no money (hmm hmm hmm)

Not even a dime (hmm hmm hmm)

But don't think I'm unhappy (hmm hmm hmm)

'Cause you'd be lyin' (hmm hmm hmm)

'Cause I've got a woman, who loves me

When my nights are pretty cold

I've got a woman who seen, to never grow old

And when she gives me her respect

And put her arms around my neck

I don't mind walkin' (ah hah hah)

Doing a strut (ah hah hah)

I don't mind workin' hard (ah hah hah)

Though it puts me in a rut (ah hah hah)

Now I ain't got no money (ah hah hah)

Not even a dime (ah hah hah)

But I've got my honey (ah hah hah)

And that's worth a whole diamond bar (ah hah hah)

I've got a woman, who loves me

When my nights are pretty cold

I've got a woman who seems, to never grow old

And when she gives me her respect

And put her arms around my neck

Don't mind walkin'

Doing a strut

Don't mind workin' hard, no no

Though it puts me in a rut

I got to get home

I better catch the 'B' train
