

## Emotions

## The Impressions

Why can't I cry  
Why won't I shed a tear  
My baby's gone  
She done left me  
Standing a here

Is it because of the pain in my heart  
Won't let me cry  
For I deserve even war for the sins I've done  
Such a way to be tortured  
That I think I'd rather die  
Than be hurt with these pains  
Deep in my soul yeah

Please emotion  
Won't you come on out, and let me cry  
Please emotion  
Won't you let the tears flow from eyes

Woman done left me  
Tendin' and I'm all upset  
And I'll go crazy  
If you don't come on  
If you don't come on now and let me cry  
Why can't I cry (babe I cry)  
Why won't why I shed a tear (please let me cry)  
Please emotion
