

## Falling In Love With You

The Impressions

I'm falling in love with you  
I know you don't want me to  
Still I can't help myself  
Any old way  
I don't know my fate  
From day to day  
Who knows what time has for you  
You may love me too

Falling in love with you  
Falling in love with you

I noticed the other night  
You held my hand oh so tight  
Lord you looked in my eyes  
Then we realised  
Our desires we can lick  
Still you just won't admit  
Ones not as good as two  
We're one of the lucky few

Falling in love with you  
Mmm mmm mm

Maybe, I may be wrong  
But I feel, your love is just as strong  
Don't you try so hard  
Not to see my face  
Why keep us apart  
Let nature take it's place  
You don't know what you mean  
One of my wildest dreams

Is falling love with you  
Mmm mmm mmm  
Falling in love with you  
Can't you see I'm falling  
Falling in love with you  
Baby yeah
