

I Ain't Supposed To

The Impressions

I ain't supposed to want to squeeze
And hold you tight
I know it's wrong, but girl
It feels alright

You are promised, to another
And I am too
Then why do we keep on doin'
What we ain't supposed to do

Your perfume ain't supposed to smell
Quite so sweet
And our hands shouldn't tremble like this
Every time we meet

When you're not around I'm not supposed to feel so blue
Then why do we keep on doing
What we ain't supposed to do

We must be in love (we ain't supposed to)
Heaven up above knows (we ain't supposed to)
While we're hoping (we ain't supposed to)
That we are eloping (we ain't supposed to)

When you're not around I'm not supposed to be so blue
Then why do we keep on doing
What we ain't supposed to do, yeah

(We ain't supposed to)
You are promised to another
And I am too
Then why do we keep on doing
What we ain't supposed to do

We must be in love (but we ain't supposed to)
Heaven up above knows (we ain't supposed to)
While we're hoping (we ain't supposed to)
Someday we're eloping (we ain't supposed to)
