

## I've Been Trying

The Impressions

I've been tryin'  
Lord knows that I've been tryin'  
To understand why  
Can I be your only man

You say you love me  
So sincere that I believed you loved me  
Yet I can't understand why  
Can I be your only man

Day after day  
You treat me any old way  
I wanna go but my heart says no  
You act so strange  
But my love still remains  
It says keep on tryin' boy  
She's gonna change

I've been tryin'  
Lord knows that I've been tryin'  
To understand why  
Can I be your only man

Keep on tryin'  
Wooh...  
Keep on tryin'  
Wooh...  
Keep on tryin'  
Wooh...
