

Jealous Man

The Impressions

Alright baby
You dig me and I dig you (well alright now)
We'll make out a long time and I believe it too (you know that
I want ya)
Now here's something you must understand (that's why)
I'm a jealous man
I'm a jealous man

Now hear me now, there will be no monkeying around (well alright
now)
I know other fellas would try an shoot you down (you know that
I want ya)
It's alright now having many a fan (that's why)
But I'm a jealous man and I tell you again
I'm a jealous man

In my world you're the only she
You've got my love
And I'll always a be
Doo doo doo woo

And honest god to ya
Chile I mean what I say (well alright now)
Count me to be home for yer every night and day (you know that
I want ya)
We've got a good thing going it's a perfect plan (that's why)
But I'm a jealous man and I'll tell you again
I'm a jealous man

In my world you're the only she
You've got my love
And I'll always a be
Doo doo doo whoo

And honest god to ya
Chile I mean what I say (well alright now)
Count me to be home for yer every night and day (you know that
I want ya)
We've got a good thing going it's a perfect plan (that's why)
But I'm a jealous man and I'll tell you again
I'm a jealous man

I don't like to talk about it
But sometimes I can't help but shout it (you know that I want y
a)
We've got a good thing going it's a perfect plan (that's why)
But I'm a jealous man
I'm a jealous man

And if I ever catch you doggone in love (well alright now)
