

Let Me Tell The World

The Impressions

Let me tell the world, you belong to me
I'm so proud of you, I want everyone to see
That our love is strong
And we have a happy home
We don't fuss nor fight
We thought everything's alright

People don't understand (oh no they don't now)
They say we get nothing out of life
They say I've become an old man
And have an old maid for a wife
But this could never be
I love her and she's dear to me
And we have a happy home
We thought nothing could ever go wrong

I wanna tell the world
I wanna tell the world
That she's mine all mine
All mine

But this could never be
I love her and she's dear to me
And we have a happy home
We thought nothing could ever go wrong

I wanna tell the world
I wanna tell the world
That she's mine mine mine
All mine
