

Little Brown Boy

The Impressions

Little brown boy with your eyes so wide
Your Daddy's joy and your Mama's pride
Now all candles burning, are just for you
But when you go out into the world
You'll be missing quite a few child

They say there's no heat
Though the Sun is so bright now
And out in the street, you're not protected late at night
But there's a candle burning
Every night when you're away
And don't forget to mind your Mom
And get on your knees and pray every day
You better believe me now

Little brown boy with your eyes so wide
Your Daddy's joy and your Mama's pride
Now all candles burning, are just for you
And remember baby
We send our love, to you
