

## Little Young Lover

The Impressions

Little young lover  
Why don't you like me?  
Can't you see honey  
You're gonna drive me out of my mind

I can't sleep at night  
For thinking about you  
You're looking so nice  
And you're about to drive me crazy

When we're in school  
And you're sitting next to me  
I'm acting a fool  
Just to get your attention  
Can't you see

Little young lover  
With pigtails so long  
I'll carry your books  
If you would only let me walk a you home

A ha-ha  
A ha-ha

When we're in school  
And you're sitting next to me  
I'm acting a fool  
Just to get your attention  
Can't you see

Little young lover  
With pigtails so long  
I'll carry your books  
If you would only let me walk a you home

Ah-ah young lover  
Come to me young lover  
I love your brother
