

Man's Temptation

The Impressions

Do do do...

One more time to test
The will-power of me
This feeling that I hold now
Just won't let me be (let me be)

This woman won't leave me alone
She gonna ruin, my happy home
With man's temptation
Ah ah ah ah...

Well, I got another back home
Who's the beat in my heart
But I never thought no one else
Could ever tear us apart (tear us apart)
To each other, we have been so true
Until along comes a lover like you
With man's temptation

You know I've got to be strong
I've got fight this all alone
So I prey for what I must do
I've got to hurt my woman or you-ooh-who

Well, I got a feelin' tellin' me
Let your heart be your guide
But I don't, wanna lose either one
Which makes it hard to decide (hard to decide)
And though my mind continues to roam
My heart, it stays at home
And controls my temptation

I'm sorry little miss, mmm...
But that's the way it is
I'm sorry I can't stay
I must be on my way, mmm...

Do do do...
