

Minstrel and Queen

The Impressions

Queen majesty, may I speak to thee,
So much I have longed , I've longed to speak to you alone,
True I agree, I'm not of your society,
I'm not a king just a minstrel,
With my songs to you I moan,
Though just a minstrel in life we're so far apart,
But royal queen I see love in your heart, your heart
I love you too, your majesty.....hmmmmm,

Isn't this really true,
These things I ask of you...hmmmm,
Oh,oh majesty could you really care for me,
Minstrel and Queen
A Queen with no king,
I'm a minstrel subpar, but could this really mean anything,

As long as you love me,
And it wont be so hard,
As long as I see love love in your heart, (your heart),
I love you too, (honest I do),
Hmmmm..(your majesty), hmmmm..(your majesty)
Ohh I love you too, (your majesty)
Hmmmm queen majesty..
