

## My Deceiving Heart

The Impressions

Oh oh I, could die  
So hard I'd cry  
My deceiving heart  
Has torn us apart

I'm here to testify  
How all the time  
You want me to be so blind

I'm just a fool, within myself  
All is gone and there's nothing left  
Nothing left for me, but bitterness  
Frustrations, lost relation  
From my deceiving heart,  
Oh baby how it's torn us apart

Child well I know, you've been so good to me  
And now I see  
When I turned my back on you baby  
I unintentionally set you free

I wish now with all my heart  
I hadn't started  
What has taken your love from me  
Now I desire all of your fire  
That you once gave me so tenderly

But there's nothing left but bitterness,  
Frustrations, lost relation  
From my deceiving heart,  
Oh baby how it's torn us apart

I wish that I hadn't started  
All this pain, what a shame  
Oh how it hurts, when you're gone  
And the pain still remains

I wish that I hadn't started  
Have mercy, all this pain and misery  
Oh how it hurts
