

## My Woman Love

### The Impressions

I've got a womans arms  
To hold me through the night  
My woman's love

I've got a woman's kiss  
To awake me at early dawn  
My woman's love

Like white fire, she arises the need in me  
As she touches me, with her sweet hands  
Such a wonderful woman, I have in me  
Oh Lord I'm so glad I'm a man  
My woman's love

Like white fire, she arises the need in me  
As she touches me, with her sweet hands  
Such a wonderful woman, I have in me  
Oh Lord I'm so glad I'm a man  
My woman's love
