

Nothing Can Stop Me

The Impressions

Nothing can stop me (stop me)
So bad do I feel inside
Get my hat, I'm checkin' out
'Cause it was you who really hurt my pride
So I'd expected you'd shot me down (down)
With all the fellas standin' around, yeah

Please don't go
That's what you'll be saying
Please don't go
But I'm not playin'
Nothin' gonna stop me (stop me)

Nothing can stop me (stop me)
Though you and I, was pretty close
I'm callin' it quits girl
Though it was you I really dug the most
You made me feel like I was two feet tall (tall)
While all the others laughed and they squalled, yeah

Please don't go
That's what you'll be staying
Please don't go
But I'm not playin'
Nothin' gonna stop me (stop me)

Don't mind me having the blues
For you've made me lose my cool
The fellas on the scene
They treat me so cold and you so mean

Nothing gonna stop me (stop me)
So bad do I feel inside
Get my hat, I'm checkin' out
'Cause it was you who really hurt my pride
So I'd expected you'd shot me down (down)
With the fellas standin' around, yeah

Please don't go
That's what you'll be saying
Please don't go
But I'm not playin'
Nothin' gonna stop me (stop me)

Yeah yeah yeah
Yeah yeah yeah, yeah yeah
Yeah yeah
Yeah yeah
