

# One Hundred Pounds Of Clay

The Impressions

Now can't you just  
See Him walking round and round  
Picking clay right off the ground

He took a hundred pounds of clay  
And then he said "hey listen"  
"I'm gonna fix this world today"  
"Because I know what's missing"

Then He rolled his big sleeves up  
And a brand new world began  
He created a woman and a, a lots of lovin' for a man  
Whoa-oh-oh, yes he did

With just one hundred pounds of clay  
He made my life, worth livin'  
And I'm gonna thank Him every day  
For the kisses you're giving

And I'll thank Him every night  
For the arms that's holdin' me tight  
And He, did it all with, a just one hundred pounds of clay  
Yes He did, whoa-oh yes He did

Now can't you just see Him walkin' 'round and 'round  
Picking clay right off the ground  
Doing just what He should do  
To make a living dream come true

And he rolled his big sleeves up  
And a brand new world began  
He created a woman and a, a lots of lovin' for a man  
Whoa, yes he did  
With just one, hundred pounds of clay  
People let me tell ya what He did now  
With just one.....
