

## Satin Doll

The Impressions

Cigarette holder, which a wigs me  
And over her shoulder, she digs me  
Out cATTin', my satin doll, wee-oooh

Baby shall we go, out skippin'  
And careful amigo, you're flipping  
She speaks Latin, my Satin Doll

Well she's nobody's fool  
So I'm playing it cool as can be be-e-e-ee  
Well I'll give it a whirl  
But I ain't for no girl catching me  
Hear what I say  
Switch-a-rooney

And it's telephone numbers, well a you know  
Doing our rhumbas with uno  
And that is, my Satin Doll

Well she's nobody's fool  
So I'm playing it cool as can be be-ee-eee  
Well I'll give it a whirl  
But I ain't for no girl, catching me  
Hear what I say  
Switch-a-rooney

And it's telephone numbers, well you know  
Doing our rhumbas with uno  
And that is, my Satin Doll

Say one more time now  
That is it, my Satin Doll  
One more time now  
I love her, my Satin Doll

Be doo - be doo - be doo - be doo  
Doo wah
