

She Don't Love Me

The Impressions

She don't love me
She don't love me
I work hard on the line
And bring my pay to my darling wife
Everybody but me they all know
She been goin' with a cat named Joe

She don't love me
She don't love me

His buddy hit me with the sound, (whoa ho)
Of how it all been goin' down
Say water burnin' and it pours from my eyes
But nothin' like the pain when I realise

She don't love me
She don't love me

Hey! hey! I begin to shout
I said woman you got ta get out
I was so mad when she got on the bus
Back in my mind I began to cuss

Whoa, you don't love
She don't love me

Somethin' wrong here
Wow! Somethin' be wrong here
How did I know
She don't love me...
