

Stay Close to Me

The Impressions

Oh baby
Can't you see what you're doing to the boy
Oh child
You have brought me so much joy

And I'm so happy
To be here by your side
Please stay close to me

Baby
Without your love I just can't exist
Oh child
You have brought me so much tenderness

You make my life seem brighter
What was dark has now become lighter
Please stay close to me

Baby doll, honey child
Always be, close to me
Baby doll, honey child
Always be, close to me

And I'm so happy
To be here by your side
Please stay close to me

Baby doll, honey child
Always be, close to me
Baby doll, honey child
Always be, close to me
Baby doll, honey child
Always be, close to me
Baby doll, honey child
