

Twilight Time

The Impressions

Heavenly shades of night are falling, it's twilight time
Out of the mist your voice is calling, it's twilight time
When purple colored curtains mark the end of day
I'll hear you, my dear at twilight time

Deepening shadows gather splendor, as day is done
Fingers of night will soon surrender, the setting sun
I count the moments darling till you're here with me
Together at last at twilight time

Here, in the afterglow of day
We keep our rendezvous beneath the blue
Here, in the same and sweet old way
I fall in love again, as I did then

Deep in the dark your kiss will thrill me, like days of old
Lighting the spark of love that thrills me, with dreams untold
I count the moments darling till you're here with me
Together, at last, at twilight, time
