

Up Up And Away

The Impressions

Would you like to ride in my beautiful balloon
Would you like to ride in my beautiful balloon
We could float among the stars together you and I
So we can fly

Up, up and away
In my beautiful, my beautiful balloon

The world's a nicer place in my beautiful balloon
She wears a nicer face in my beautiful balloon
We can sing a song and sail along the silver stars
So we can fly

Up, up and away
In my beautiful, my beautiful balloon

We'll fly up high to the twilight entity
It'll be just like, a dream we both can see
And if by chance you'll find yourself lovin' me
We'll find a cloud to hide us, beneath the moon beside us

Love is waiting there in my beautiful balloon
Way up in the air in my beautiful balloon
If you'll hold my hand, we'll chase your dreams across the sky
So we can fly

Up, up and away
In my beautiful, my beautiful balloon
