

You Ought To Be In Heaven

The Impressions

You oughta be in Heaven
Playing with the angels there
You oughta be in Heaven
Here on Earth it just ain't fair
When the fella who don't even care

Wished that I could buy a halo
To crown upon your pretty head
A pair of wings to send you flyin'
Not to another, but me instead
And you oughta be in Heaven

You oughta be in Heaven

You oughta be in Heaven
Here on Earth it just ain't fair
When the fella who don't even care

Wished that I could buy a halo
