

Education

The Inchtbokatables

the town that bore us
with its overloaded humanity
with its knowledge: she is a bitch and he' a driver
you're right when you don't trust you're own neighbour
talk about him 'cause he might be in the same situation as you
it's better to shoot first than to sit there waiting for a bull
et

my skates were rolling away from me
i couldn't hold them
the moment i left i didn't look for them
back in the depths of my childhood
i remember the red flowered lields in the sun
but forget your toys you told me i'm no longer angry about it
but won't come back
without goldn flying horses

YOU SEE MY MAN EDUCATION EDUCATION
YOU SEE MY LIBERALITY
AND THE WORLD GOES FIRST WORLD GOES FIRST
YOU SEE MY BLOOD EDUCATIO EDUCATION
AND YOU CAN SEE MY TERRORWARFACE
IF I KILL THE KIDS KILL THE KIDS

YOU SEE MY WAR EDUCATION EDUCATION
AND YOU CAN SEE MY ACTION IS FOR YOU
YOU SEE MY BLOOD EDUCATION EDUCATION
AND YOU CAN SEE MY TERRORWARFACE
IF I KILL THE KIDS KILL THE KIDS

DU SIEHST MICH AN
DEINE TELLERGROßEN ROTEN AUGEN
FLIEGEN DURCH DEN RAUM
DU SIEHST MICH AN
DEIN GESICHT VON BLUT VERSCHMIERT
HAT NOCH IMMER NICHT KAPIERT
DU SIEHST MICH AN
UND DEIN HORRORTRIP REICHT WEITER
DENN DU HAST HEUT NICHT BEGRIFFEN
DAS DIE ZEIT ERZIEHUNG IST
