The Circle Is Unbroken

The Incredible String Band

Seasons they change while cold blood is raining I have been waiting beyond the years

Now over the skyline I see you're travelling

Brothers from all time gathering here

Come let us build the ship of the future

In an ancient pattern that journeys far

Come let us set sail for the always island

Through seas of leaving to the summer stars

Seasons they change but with gaze unchanging O deep eyed sisters is it you I see?
Seeds of beauty ye bear within you
Of unborn children glad and free
Within your fingers the fates are spinning
The sacred binding of the yellow grain
Scattered we were when the long night was breaking
But in the bright morning converse again.
