

## The Water Song

The Incredible String Band

Water, water, see the water flow  
Glancing, dancing, see the water flow  
O wizard of changes, water, water, water

Dark or silvery mother of life  
Water, water, holy mystery, heavens daughter  
Wizard of changes teach me the lesson of flowing

God made a song when the world was new  
Waters laughter sings it through  
O wizard of changes teach me the lesson of flowing

God made a song when the world was new  
Waters laughter sings it through  
Wizard of changes, water, water, water
