All the Same

The Infamous Stringdusters

High or low
Sky or sea
Locked inside
Or just set free
Have you become
What you could be
Or who could say
It isn't me
Guilt or blame
It's all the same... it's all the same
Hard to say
It's hard to find
Is it all in your mind
Is it without
Or is it within
How does it feel in your skin
Pride or shame

It's all the same... it's all the same
When you want me, you will find me here
When you want me, you will find me here
I'll be here
In the dark
In the light
I had it wrong
But it's alright
Cuz I'm right here
Oh won't you look around
Still can't see
What's that sound
They call my name
They're all the same
They're all the same
When you want me, you will find me here
When you want me, you will find me here
I'll be here
