## The Infamous Stringdusters

Colorado, it sure is good to see your face agin  
I been up and down this highway just looking for a friend  
Woah-oh, Colorado  
No matter how long I'm gone you looks the same  
It's so damn good to know there's something time can't change  
Woah-oh, Colorado

When I'm lost and I lose touch  
You're the only thing I'm deaming of

I wanna get mile high  
Touch the sky  
Get my skii on, mountain time  
Woah-oh  
Free like the wind blows  
Calm as the river flows  
Woah-oh, Colorado

Colorado, you're as close to heaven as I've ever been  
I've got a gypsy soul, but you're always there to take me back  
in  
Woah-oh, Colorado  
And the girl I love, she left me all alone  
These days, you're the only place I feel at home

So you can have those old gray city streets  
I wanna loosen up my tired feet, hey

I wanna get mile high  
Touch the sky  
Get my skii on, mountain time  
Woah-oh  
Free like the wind blows  
Calm as the river flows  
Woah-oh, Colorado

I wanna get mile high  
Touch the sky  
Get my skii on, mountain time  
Woah-oh  
Free like the wind blows  
Calm as the river flows  
Woah-oh, Colorado

Yeah, colorado
