

## How Do You Know?

The Infamous Stringdusters

How do you make love stay?  
If you got love, can you give it away?  
How do you let love grow?  
If you think you're in love, tell me, how do you know?

Is it still there in the morning  
When the night goes on too long?  
Does it come on without warning  
Even when you're all alone?

How do you let love be?  
If you got love you can leave it with me  
How do you let love go?  
If you think you're in love, tell me, where would it go?

It'll be here in the morning  
Steady as a stone  
Does it come on without warning?  
Do you wonder if you're wrong?

How do you set love free?  
If you got love, you can give it to me  
How do you know it's true?  
If you think you're in love, tell me, what do you do?

Do you feel it in the morning  
When the evening glow is gone?  
It'll come on without warning  
It was with you all along

How do you make love stay?  
If you got love can you give it away?  
How do you help love grow?  
If you think you're in love, tell me, how do you know?  
If you think you're in love, tell me, how do you know?  
If you think you're in love
