I'm Not Alone

The Infamous Stringdusters

Am I the only one here breathing?
Am I the only one awake?
Is mine the only heart that's beating?
The quiet is almost more than I can take
I have painted all these walls
Still they haunt me
I have waited for so long
Still I'm wanting
At night I wander through my memories
Of what seemed like only passing show
But still it's only just a reimagining
Of all that was written long ago
I am lying here in bed
Should be sleeping
I am listening instead
Get the feeling that I'm
Not alone
I'm not alone
I'm not alone
I'm not alone

Am I just the sum of all my wondering?
Will I see the beauty of the years?
Can I peel away the layers of longing?
Can I learn to live with all my fears?
I have painted all these walls
Trim to ceiling
I have waited for so long
Still the feeling that I'm
Not alone
I'm not alone
I'm not alone
I'm not alone
I'm not alone
I'm not alone
I'm not alone
I'm not alone
I'm not alone
