

Lovin' You

The Infamous Stringdusters

When it's time for me to go, I hope my job is done
I hope that people know that I've never tried to run
Yeah, and when it came to lovin' you, I only did my best
And I hope it was enough for you to rest

Never did I tell you just how deeply I did feel
Fear was holding me too close, afraid that it was real
Yeah, and if I looked you in the eye, I don't know if I could
For the sake of knowing that I really should

Oh, the clock don't tell time, it runs
The heart don't beat, it shatters
The only thing in this old world is lovin' you
That matters

Yeah, if I never see your face, I'll know that it is time
To pass into another place, where other things are mine
Cause if I can't be in your arms, there's nothing for me here
And my only wish is that I'll hold you there

Oh, the clock don't tell time, it runs
The heart don't beat, it shatters
The only thing in this old world is lovin' you
That matters

Oh, the clock don't tell time, it runs
The heart don't beat, it shatters
The only thing in this old world is lovin' you
Is lovin' you
That matters
