

My Sweet Blue Eyed Darling

The Infamous Stringdusters

You're my sweet blue-eyed darling
And my love belongs to you
All I ask (all I ask) of you my darling (you my darling)
Is love me good (is love me good) and be true

Days come and go and I still love you
And I see your smiling face
Just tell me love, that you need me
And no one's gonna take my place

You're my sweet blue-eyed darling
And my love belongs to you
All I ask (all I ask) of you my darling (you my darling)
Is love me good (is love me good) and be true

And today I need an answer
And I want to hear you say
You don't belong to another
And no one's gonna take my place

You're my sweet blue-eyed darling
And my love belongs to you
All I ask (all I ask) of you my darling (you my darling)
Is love me good (is love me good) and be true

You're my sweet blue-eyed darling
And my love belongs to you
All I ask (all I ask) of you my darling (you my darling)
Is love me good (is love me good) and be true
All I ask (all I ask) of you my darling (you my darling)
Is love me good (is love me good) and be true
