

Not Tonight

The Infamous Stringdusters

oh ill be home again
rest your weary eyes
oh i dont know when
but not tonight

oh driving to the wind
pulled over to the side.
the road is my my friend
but not tonight

(chorus)
i thought id never run again
i though id be alright.
i know i will love again
but not tonight oh not tonight

oh when tomorrow comes
if im on you mind
would you let me in
if not tonight

chorus

oh not tonight
not tonight
oh not tonight
