

# Will You Be Lonesome Too

The Infamous Stringdusters

Yeah, how would you like be lonesome?  
When someone is through with you  
My heart is sad and lonesome  
I wonder if you're lonesome too  
I wonder if you're lonesome too

I don't want you to cry 'cause I'm leavin'  
Don't want you to cry 'cause I'm blue  
Only my thoughts make me lonesome  
I wonder if you're lonesome too  
I wonder if you're lonesome too

How would you like be lonesome?  
When someone is through with you  
My heart is sad and lonesome  
I wonder if you're lonesome too  
I wonder if you're lonesome too

Well, why should two lovers quarrel?  
Why should they be so untrue?  
I know what it means to be lonesome  
I wonder if you're lonesome too  
I wonder if you're lonesome too

How would you like be lonesome?  
When someone is through with you  
My heart is sad and lonesome  
I wonder if you're lonesome too  
I wonder if you're lonesome too

Well, give me your right hand, honey  
I'll say this farewell to you  
I'll be so lonesome without you  
Will you be lonesome too?  
Yeah, will you be lonesome too?

How would you like be lonesome?  
When someone is through with you  
My heart is sad and lonesome  
I wonder if you're lonesome too  
I wonder if you're lonesome too

Yeah, how would you like be lonesome?  
When someone is through with you  
My heart is sad and lonesome  
I wonder if you're lonesome too  
I wonder if you're lonesome too
