

Always

The Ink Spots

I'll be loving you, always
With a love that's true, always
When the things you plan, need a helping hand
I will understand, always- always

Days may not be fair, always
That's when I'll be there, always
Not just for an hour
Not for just a day
Not just for a year
But always

I'll be loving you honey, always
With a love that's true, always
When the things you plan
Need a helping hand
I will understand, always and always

Days may not be fair, always
That's when I'll be there, always
Not just for an hour
Not for just a day
Not just for a year
But always
