

I Wasn't Meant For Love (And Love Wasn't Meant For Me)

The Ink Spots

My love affairs left lonely prayers
One soul left aching and blue
No heart to sing, no anything
I'm through with love, I'm through

I wasn't meant for love
Love wasn't meant for me
What love I dare dream of
Is just a memory

All my life, I've paid for
Happiness with bitter tears
Guess I was only made for
Just a life of wasted years

I wasn't meant for love
Love wasn't meant for me
What love I dare dream of
Is just a memory

You see, honey, I've paid for
Happiness with bitter tears
Well, guess I was only made for
A lonely life of wasted years

I wasn't meant for love
Love wasn't meant for me
