

We Three (My Echo, My Shadow And Me)

The Ink Spots

We three, we're all alone
Living in a memory
My echo, my shadow, and me

We three, we're not a crowd
We're not even company
My echo, my shadow, and me

What good is the moonlight
The silvery moonlight
That shines above?
I walk with my shadow
I talk with my echo
But where is the one I love?

We three, we'll wait for you
Even till eternity
My echo, my shadow, and me

We three, we're all alone
Seem like we're living in a memory
That's my echo, my shadow, and me

We three, we ain't no crowd
Fact is we ain't even company
That's my echo, my shadow, and me

You know, I've been wondering
What good is the moonlight
That silvery moonlight
That shines way, way up above
Yeah, I walk with my shadow
I talk with my echo
But where is that gal that I love?

We three, we'll wait for you
Even till eternity
My echo, my shadow and me
