

## We Three

The Ink Spots

We three, we're all alone  
Living in a memory  
My echo, my shadow, and me

We three, we're not a crowd  
We're not even company  
My echo, my shadow, and me

What good is the moonlight  
The silvery moonlight that shines above?  
I walk with my shadow  
I talk with my echo  
But where is the one I love?

We three, we'll wait for you  
Even till eternity  
My echo, my shadow, and me

We three we're all alone. Seems like we're livin' in a memory.  
That's my  
echo my shadow and me. We three we ain't no crowd. Fact is we a  
in't even  
company. That's my echo my shadow and me. You know I been wonde  
rin' - what good is the moonlight that silvery moonlight that s  
hines way, way up above? Yeah, I walk with my  
shadow, I talk with my echo, but where is that gal that I love?

We three, we'll wait for you  
Even till eter-ni-ty  
My echo, my shadow, and me
