

When My Sugar Walks Down The Street

The Ink Spots

When my sugar walks down the street
The little birdies go tweet, tweet, tweet
And in the evenin' when the sun go down
It's never dark when she's around

She's so affectionate I'll say this
And when she kisses me I'll stay kissed
When my sugar walks down the street
The little birdies go tweet, tweet, tweet

And when my sugar walks down the street
All the birdies go tweet, tweet, tweet
And in the evenin' when the sun go down
It's never dark when she's around

She's so affectionate and I'll say this
And when she kisses me I'll stay kissed
And when my sugar walks down the street
The little birdies go tweet, tweet, tweet
