

You're Breaking My Heart

The Ink Spots

You're breaking my heart 'cause you're leaving
You've fallen for somebody new
It isn't too easy believing
You'd leave after all we've been through

It's breaking my heart to remember
The dreams we depended upon
You're leaving a slow dying ember
I'll miss you, my love, when you're gone

I wish you joy, though teardrops burn
But if some day you should want to return
Please hurry back and we'll make a new start
Till then you're breaking my heart

You're breakin' my heart 'cause you're leaving
Honey-child, it looks like you've fallen for somebody new
You know, it ain't too easy believing you'd ever leave me
Especially after all we've been through

It's breaking my heart to remember
The dreams we depended upon
You're leaving a slow dying ember
I'll miss you, my love, when you're gone

I wish you joy, though teardrops burn
But if someday you should want to return
Please hurry back and we'll make a new start
Till then you're breaking my heart
