

You Were Only Fooling

The Ink Spots

You were only fooling
But I was falling in love
It's a story as old
As Adam and Eve
I was making love
But you were making believe

You lied to me with kisses
I've tried to stop dreaming of
But you were only fooling me
While I was falling in love

[Spoken]

You know, you were just fooling, honey
Jiving, baby
While I was falling head-over-heels in love
It's a story as old as
Adam and Eve
I was making love
But all the time you were only making believe

[Sung]

You lied to me with kisses
I've tried to stop dreaming of
You were only fooling me
While I was falling in love
