

Baby Doll

The (International) Noise Conspiracy

Girl you don't know what you are to me
You are my baby doll
You are my compass star
You drive me up the wall
Girl you don't know what you mean to me
You are my everything
You are my alien
From S-p-a-c-e

Please don't go
Wait
I just met you

Girl I feel just like a bird
Though I am just a nerd
I could fly around this world
With power from this word
We'll bring the desert rain clouds
Fuck reality and doubt
Well they'll be vultures I see
They'll chase me
Girl I'm flying with thee

Roses are red
Yellow and white
Where have you been all my life
Violets are blue
And I'll be too
If you leave
'Cause I just met you

Your my pop rocks
Your my cotton candy
When the beach is hot n sandy
Your my water
Your my morning shower
Sub-conscious melody
Your my lsd
Summers perfect daughter

Roses are red
Yellow and white
Where have you been all my life
Violets are blue
And I'll be too
If you leave
'Cause I just met you

I'm Sorry
But I got to
Got to go
I gotta go

I just met you
