

## I Swear If U Do

### The (International) Noise Conspiracy

rob the innocence, just like small boys playing naked in the ra  
in come on  
keys to unlock pretty much what you want, my heart and everythi  
ng  
a feeble gesture, like writing king mob or black mask on the wa  
ll  
i stay focused but you, you can stay indoors come on  
yeah, steal the plan, a hundred thoughts focused all in discont  
ent  
a new heatwave, a total meltdown of your bourgeoisie ways  
an open invitation of seduction, destruction and all between  
a new dream, a brand new language full of silent screams  
i swear we can make it  
- come on come on - come right on - i swear, i do - if you do t  
oo  
- i swear, i do - just about - ??? with you - yeaaaahh
