

Love Song -1

The Internet

What happened to make you,
To make you start to hate me

I almost felt you heart,
And you were my everything.

Sometimes i wonder why,
I still try ..
Dont say some words...
Cause we both know nothings perfect
Baby i feel like this could be worth it.
Ooh ,
Cause i havent felt like myself lately
What i gotta do to get back my baby,
Oooh

Ooooooh ,
Ooh.
Ooooo.
