

# Shadow Dance

The Internet

(2x)

Won't you shadow dance for me?  
Play it off and tell me how it feels

Let's try something different, brand new  
Hold that, right there, don't move  
I wish I could tip you for all of your time  
Yeah, yeah

Girl when you  
Teasing me, pleasing me, guaranteed  
You know that I love it when you (I love the way)  
Dance for me, flashing me, all for free  
That's the way I like it baby  
It's what you do, me and you should rendezvous  
Somewhere we can meet in private  
Your debut, time to shoot, now's your cue, so

(2x)

Won't you shadow dance for me?  
Play it off and tell me how it feels

(2x)

If I could freeze  
The hands of time I would stay  
Right here with you  
Right by my side, that'd be nice  
The night is young  
Your taste is sweet, lay with me  
Until we find  
Just what we need, what we need

Tell me that you love me, babe  
Tell me that you love me, girl  
Tell me if you love me, baby  
Do you really love me, baby?  
Do you really love it, girl?
