

My Heart

The Interrupters

The day that you left, I couldn't believe
The earth was still spinning and I could still breathe
All that I saw, painted in grey
All of the color just faded away
Now you're my angel, a sweet, sweet soul
And though it's painful, I'll let you go

My heart keeps beating
My heart keeps beating
My heart keeps beating
My heart keeps bleeding for you

And then I woke up, I was alone
It's empty inside, this shell of a home
Cards have been read, roses are dead
Don't have the strength to get out of this bed
But you're my angel with sweet, sweet eyes
And I'm so grateful you saved my life

My heart keeps beating
My heart keeps beating
My heart keeps beating
My heart keeps bleeding for you
For you
For you

How long, how long, how long, how long
How long I'm gonna miss you?
I don't know how to carry on
I'll never ever, ever be the same again without you
A part of me is dead and gone

But my heart keeps beating
My heart keeps beating
My heart keeps beating
My heart keeps bleeding for you
For you
For you
Only you
You
My heart keeps bleeding
My heart keeps bleeding for you
