

Call Me

The Intruders

If you're feeling sad and lonely
There's a service I can render
Tell the one who loves you only
You and I should be together

Call me, don't be afraid, you just call me
Maybe it's late, but just call me
Tell me and I'll be around

When it seems your friends desert you
There's somebody thinking of you
I'm the one who'll never hurt you
I guess that's because I love you

Call me, don't be afraid, you just call me
Maybe it's late, but just call me
Tell me and I'll be around

Now, don't forget me' cause if you let me
I will always stay by you
You gotta trust me that's how it must be
There's so much that I can do

Call me, don't be afraid, you just call me
Maybe it's late, but just call me
Tell me and I'll be around

If you call, I'll be right with you
You and I should be together
Take this love I long to give you
I'll be at your side forever

Call me, don't be afraid, you just call me
Maybe it's late, but just call me
You gotta tell me and I'll be around
