

Gonna Be Strong

The Intruders

Who does she think she is?
Tryna make a fool out of me
But I made up my mind
That I'm gonna be free because

She used to be my sugar baby
She was my girl, there were no ifs, ands, or maybes
She said, our love would always be, till some boy came along
And took her away from me

I'm gonna be strong, girl
Oh, I wanna be and I'm gonna be strong, girl

I heard their love affair didn't turn out right
And now she's calling me, to talk to her at night
But you know one thing
I'm not gonna give in
'Cause I can't, I can't stand
A heart break all over again

I'm gonna be strong, girl
Oh, I wanna be and I'm gonna be strong, girl

Who does she think she is?
Tryna make a fool out of me
But I made up my mind
That I'm gonna be free

And I'm gonna be strong, girl
I've got to be and I'm gonna be strong, girl

Who does she think she is?
She's only tryna make a fool out of me
I want you all to know she's tryna make a fool out of me
