

Only One

The Intruders

I never met a girl like you
It seems I waited all my life
Girl, you are my sole inspiration
I'm living for your love

And girl, you are the only one my heart desires
When I'm with you, I know you take me higher
And there was a time when I was all alone
Now that I'm with you, you're my only one

Know you are my only one
You give me what I need
A tender kiss, a special touch
You give me what I need
Know you are my only one
You give me what I need
A tender kiss, a special touch
Yeah

And now I realize that love is hard
So very, very hard to find
Let's make our love last forever
Girl, I want your soul

And girl, you are the only one my heart desires
When I'm with you I know you take me higher
I can't stand just one more night alone
I need you with me 'cause you're my only one

Know you are my only one
You give me what I need
A tender kiss, a special touch
A tender kiss of love
Know you are my only one
You give me what I need
A tender kiss, a special touch
There's no one else for me but you
Know you are my only one
You give me what I need
A tender kiss, a special touch
Know you are my only one
You give me what I need
A tender kiss, a special touch

I'm so happy that you're mine and I wanna take the time
To tell you that I love you
You're the only person that I want in my life
That's why I'll always be by your side

Let's go
Forever love, love you forever
My love it stay the same, it don't change like the weather
I'm your protector, love when you in my arms
You my lucky charm, my rainbow in the sky
Let's ride, you my Bonnie to my Clyde
Don't need no drugs [?] love for you [?] get me high
'Cause you my only one

Uh, Intruders, let's go

Know you are my only one
You give me what I need
A tender kiss, a special touch
The kiss of love
