

# Merry Bloody Xmas

The Irish Rovers

I had a big night last night  
Drinking Molson X  
And on the way home  
I got three reX  
I woke up this morning  
Took 2 summon-x  
That wife and mine  
She's now my "X"

Well, I got myself evicted  
From my duplex  
Moved into a half-ton van, and then "X"  
Fresh full of beer  
My ole' dog reX  
At least I got another wife  
She's now my "X"

Merry Xmas, to me  
The dog threw up all over the Xmas tree  
They re-posessed my color TV  
Merry bloody Xmas, to me

My car's off the road  
We're having D-fleX  
I said to myself, "Geesh what next"  
My wife dropped in  
For "Alimony Checks"  
So I threw her in the lake  
Now she's my, wet X

Merry Xmas, to me  
The dog threw up all over the Xmas tree  
They re-posessed my color TV  
Merry bloody Xmas, to me

So I sat there drinking  
All my Molson X  
Shook in the empties  
My ole' dog Rex  
Stupid bloody mutt  
Stuck his head in the moto-X  
You guessed it  
He's now my X, Rex

Merry Xmas, to me  
The dog threw up all over the Xmas tree  
They re-posessed my color TV  
Merry bloody Xmas, to me...
