

# Footsteps in the Dark

The Isley Brothers

Are we really sure  
Can a love that lasted for so long still endure?  
Do I, really care? Hey, hey  
Let's talk about the distractions goin' on elsewhere

I keep hearin' footsteps baby  
In the dark, in the dark  
Why? I keep hearin' footsteps baby  
In the dark, in the dark

My mind drifts now and then  
Lookin' down dark corridors and wonders what might have been  
Something's up ahead,  
Hey, should I keep this same direction or go back instead?

I, I keep hearin' footsteps baby  
In the dark, in the dark  
Why? I keep hearin' footsteps baby  
In the dark, in the dark

Honey, now lets stop walkin' around  
When there's love lost to be found  
And you know I still care, I still care  
What's the sense in goin' elsewhere?

Who feels really sure?  
Can that feelin' guarantee your happiness shall endure?  
And do we, really care? Hey, hey  
Let's look at what's been happenin' and try to be more aware

I, I keep hearin' footsteps baby  
In the dark, in the dark  
Why? I keep hearin' footsteps baby  
In the dark, in the dark

Yeah, lets stop walkin' around  
Well when there's love lost, lost to be found  
Honey, you know I still care, I still care  
What's the sense in goin', goin' elsewhere?

Honey, lets stop walkin' around and around and around  
When there's no love to be found  
Baby, you know, I still care, I still care  
What's the sense of goin', goin' elsewhere?
